

— Our Current Practice —

We are committed to creating a greener, fairer and more sustainable world for everyone in our school community and beyond.

CLIMATE EDUCATION AND GREEN SKILLS

- Climate education across the curriculum
- Dedicated display boards in the bases
- WOW and Forest schools – building bird boxes
- Recycling all bases – including soft plastics
- Plastic schools member and Plastic schools form time/day

BIODIVERSITY AND NATURE

- Gardens/Planters at each base
- Birdboxes
- Wildlife-friendly planting and habitats
- Encouraging nature connection and outdoor learning eg Forest school style

DECARBONISATION AND NET ZERO

- Tree planting (often native) across all bases
- Some staff have electric cars
- Travel reduction – use of teams, car sharing, Minibus
- Home staff allocated nearer to places they live, pupils share taxis where appropriate
- Work at nearest base where possible
- End of day reduction of thermostats
- Lights on timers
- Free school meals as plant based as possible

ADAPTATION AND RESILIENCE

- Air con in classrooms
- Hot weather – we take care of vulnerable members of school community (fans, cool water available, window blinds, canopies, mature trees for shade)
- LED lighting in all bases
- Buildings have energy ratings
- Rechargeable batteries
- Push taps in toilets
- Point of use water heaters

TOGETHER, WE CAN MAKE A DIFFERENCE

HOPE

We believe in a better future and are inspired to protect our planet for everyone.

AGENCY

We empower everyone to take meaningful action, big or small, every single day.

PATHWAYS

We explore different ideas and solutions and learn together as we grow.

GOAL

We are working towards a sustainable, inclusive and thriving world for all communities.

THANK YOU
TO OUR WHOLE
SCHOOL COMMUNITY
FOR SUPPORTING
OUR CLIMATE
JOURNEY.
