

Guidance to assist with Safeguarding, Attendance and QA arrangements for mainstream schools (last updated /09/2025).

Introduction

Rationale – this guidance has been compiled to support mainstream schools who have a student who is dual registered at The Pilgrim School.

This information is shared with mainstream schools on referral (replacing the letter of comfort) and can be viewed on The Pilgrim School's website.

The guidance may be used by mainstream schools to complete their safeguarding, attendance, and quality assurance schedules, enabling more time for receiving updates for their dual registered student(s), and more time to meet with them during a visit to our school.

This document is not an exhaustive list. Should you require more detail or to discuss aspects in depth/other matters please speak to a member of SLT during your visit.

Responsibility for commissioning a placement at Pilgrim	Responsibility for the Alternative Provision used rests with the mainstream school commissioning the placement.
Responsibilities the commissioner (mainstream) holds while a student is at Pilgrim	Once a placement has been agreed, the school maintains responsibility for: Pupil welfare; safeguarding; child protection; and ensuring parents and pupil are aware of the arrangements.
Quality assurance	The responsibility for quality assurance and evaluation sits with the commissioning school.
Communication	
Communication with mainstream	At referral point we ask for a key school contact to be identified. This should be someone that the pupil has a positive and trustful relationship with. It does not need to be a School Leader but there should be regular internal dialogue with the leadership team. On referral a form is sent out to collect any academic information e.g., curriculum point/exams boards/levels students are working at. Good practice would be for regular communication between the mainstream 'key adult' and Pilgrim team (with the pupil where possible) so that the pupil continues to feel well supported by their mainstream setting. At the very least, this staff member should be the one to attend any review meetings to discuss progress and next steps. At The Pilgrim School, all pupils are assigned a Pastoral Support & Welfare Specialist (PSWS) and Academic Link (AL) who will have oversight of that pupil's progress in their respective field. The mainstream 'key adult' will be the point of contact for these staff regarding academic and pastoral matters.

	Where schools are in receipt of top up funding or pupil premium, some of this may be requested to support identified additional resource at placement, such as access to trips or intervention programs.
	Should school leaders require a more general overview of all pupils attending our setting, they can request this from our senior team.
Communication with	We communicate in the usual ways, e.g. Reach more Parents, email, phone, text, face to
parents and students	face.
•	We send out Newsletters three times a year. These are also available on our website. We issue formal annual progress reports to parents/carers.
	We offer online parents' evenings with academic links and teaching staff.
	We also have:
	Information boards.
	Pupil forums.
	Parent forums.
	Base open mornings.
Recording and sharing	We routinely keep schools informed of pupil progress and engagement through reviews and
academic progress	share assessment information when requested. Schools are also copied into any timetable
	changes.
Policies	
Location of policies	Relevant policies can be found on the school website at
	https://www.pilgrim.lincs.sch.uk/policies
Safeguarding	
Responsibility	Everyone is responsible for safeguarding in schools.
	Responsibility for safeguarding dually registered pupils remains the responsibility of both
	schools.
	Safeguarding responsibility for non-contact days lies with the mainstream school.
	Mainstreams should make provision for their own safeguarding checks when students are
	not timetabled to attend a Pilgrim base or receive home tuition/pastoral visits.

	"Where a school places a pupil with an alternative provision provider, it continues to be responsible for the safeguarding of that pupil and should therefore be satisfied that the placement meets the pupils needs". KCSIE 2025
	We routinely inform settings of any timetable changes.
	 We at The Pilgrim School will ensure: Appropriate DBS and Safeguarding checks prior to employment and DBS update service is used; All staff receive appropriate annual safeguarding training and 6 termly updates from the DSL/Deputy DSL; All staff receive yearly updates and 'sign off' KCSIE each year; All staff follow the Lincolnshire LSCP 6-year pathway undertaking certificated training yearly; The Lincolnshire County Council Policy is followed for whistleblowing procedures; All staff undertake annual certificated GDPR training; All staff undertake annual certificated Online Safety training.
Training	
Training records	We hold a central record of all training pathways and training records, including certificates for all staff.
Updating and monitoring the Single central record (SCR)	The SCR is updated by the school business manager and is checked and monitored by our Safeguarding Governor DSL and Deputy DSL. Mrs Mel Findon, (Pastoral Manager/DSL) mel.findon@pilgrim.lincs.sch.uk Mrs Bev Lee (Executive Assistant Headteacher/DDSL) Bev.Lee@pilgrim.lincs.sch.uk

	Barbara Temple (Chair of governors with responsibility for safeguarding) <u>barbara.temple@pilgrim.lincs.sch.uk</u>
Recording safeguarding concerns and informing our mainstream schools	We log concerns using our MIS and will share significant events with you (for example, referrals to Children's Services). More general updates are shared at review meetings/via pastoral plans.
OFSTED safeguarding	2024 Monitoring visit: Good. Safeguarding effective.
Student concerns	If a student has a concern they can speak to any member of staff, but their PSWS will likely be their first port of call. Student-friendly information posters are present in base and shared with home students.
Timetables and attendance	
Recording attendance	Attendance is recorded on our MIS system (Ed:Gen).
Attendance monitoring	We follow up on absence daily when pupils do not attend as expected.
Attendance calculation	We calculate attendance in two ways; Provision Offered (PO) and Full Time Equivalent (FTE).
Mainstream monitoring of attendance	Mainstream schools can, on request, be issued with an account for our MIS. Alternatively, you may call the appropriate base office for attendance for your student(s). This should happen daily to confirm attendance at expected sessions and therefore current 'visibility' of your pupils.
	Reminder from safeguarding section: The safeguarding responsibility for non-contact days lies with the mainstream school. Mainstreams should make provision for their own safeguarding checks when students are not timetabled to attend Pilgrim or receive home tuition/pastoral visits (see below for KCSIE updates) KCSIE 2025 updates:

	There is an additional paragraph regarding Alternative Provisions placing more emphasis on mainstream schools placing the child within an Alternative Provision setting to continue to have safeguarding responsibility: 'Where a school places a pupil with an alternative provision provider, it continues to be responsible for the safeguarding of that pupil and should therefore be satisfied that the placement meets the pupils needs'. KCSIE 2025
Attendance Mainstream codes	We use the DfE recommended codes and record twice a day - AM and PM attendance. Code D: Dual registered at another school – this is used by mainstreams when students are timetabled at Pilgrim. Code C: To identify when pupils are not expected to attend Pilgrim as per their current timetable. Code CS: To identify when pupils have been seen for a safe and well but not attended planned provision. Schools are legally responsible for using the correct codes, which is a safeguarding priority.
Wallisti Calli Codes	The appropriate DfE registration code must be used.
Reviews	
Contacts	Main point of contact for all students is their PSWS or AL.
Leading reviews	Where pupils are subject to a multi-agency team, we would expect mainstream schools to be Lead Professional, unless there is a parental request otherwise.
Review timescale	Reviews for new pupils will be held at 6, 12 and 18-week points from start date. Following this, reviews will take place regularly to ensure multi-agency practices are in place and students are supported during their attendance at Pilgrim. We encourage the key adult in mainstream schools to maintain communication between reviews and visit the pupil in our setting.

Review format	All parties are invited
Working with other	We work regularly with a range of outside agencies and attend relevant multi agency
agencies	meetings as required eg TAC, CIN, CP, SEND, MDT etc.
Curriculum	
Curriculum organisation and	On referral, a form is sent to mainstream for data collection. This should be completed as
offer	soon as possible and returned to Pilgrim to ensure a smooth transition.
Curriculum plans	Curriculum information can be found on the school website and from the relevant HOD.
	There is an expectation to study Maths, English Language and Literature, Science, PSHE,
	and a range of options designed to mirror the Mainstream curriculum as closely as
	possible. Options are chosen at transition from Y9 to Y10, for those pupils likely to remain
	with us for KS4 and shared with mainstream settings for information. Those pupils
	anticipated to return should be included in the option processes at their mainstream
	setting.
	Unless agreed with mainstream, students will study Maths and Science with Edexcel and English Language and Literature with AQA.
	Pupils at KS3 are offered a curriculum broadly in line with the national curriculum and
	including core, humanities, activity hour, music, technology and languages. Where
	reintegration is being explored, we may ask mainstream settings to provide work so that
	pupils are studying the same topics as their peers ready for transition.
Exams	Each base is registered as a separate exam centre.
	We will enter any students if they are not home schooled, a new entry after exam
	deadline, or studying a course we don't normally offer or with a board we don't usually
	work with.
	Our Exams Officer, Liz Hallissey <u>liz.hallissey@pilgrim.lincs.sch.uk</u> will liaise with your exams
	officer for any other entries.
