

PUPIL VOICE

What our pupils say about us

"THANK YOU..."

...for having **faith** in me, for **accepting** me and showing me that I can learn."

**"It has been
the best time
of my life."**

"I actually adored coming to this school and I am going to miss it."

"Thank you

for everything you've done for
me."

**"You guys have changed
my life so much!"**

"You have made me
happier than I have been in
a long time."

"From the bottom
of my heart, I can't
THANK YOU
enough, for a
multitude of
reasons...

...mainly for the opportunity to
have **a second chance**
and be given the **space** and
nurture *to rebuild and*
grow into the person I am
today."

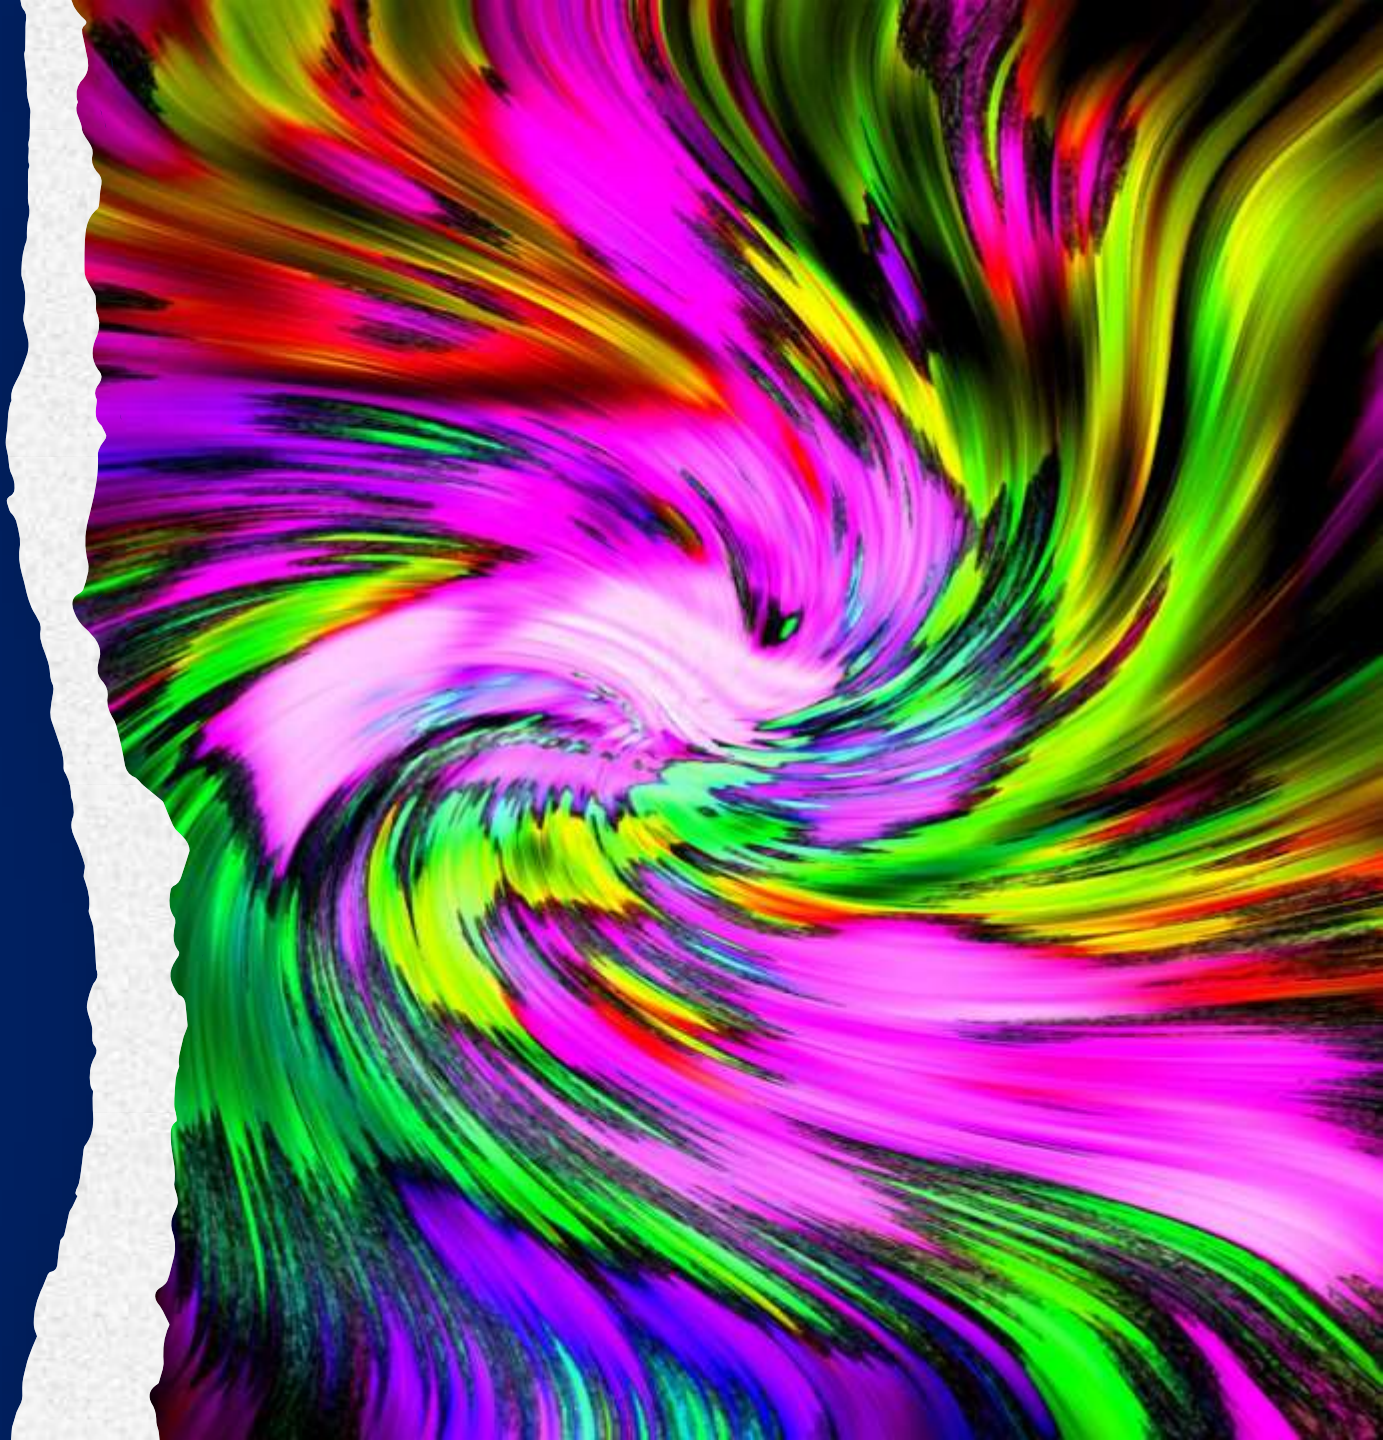

"I, and many others, have been lucky enough to experience such a safe sense of belonging and, more importantly, listened to and respected throughout."

A decorative white torn paper effect is located at the bottom of the slide, appearing as a jagged, irregular white shape against the dark blue background.

**The work you do is
invaluable.**

"Pilgrim is a light
and burst of colour."

"It is a place filled with
love, hope and
strength, which is
rare to find."

**"I will be taking the
Pilgrim legacy with me -**

- being kind, supportive and caring"

"Thank you for everything you have done...

**...you have helped me become a new
me. I will be forever grateful."**

"I can't thank you enough for...

...the **laughs** and **encouragement**
you've given me."
