

# My first day

At Baumber

Hello I'm Jon and I'm going to talk to you about your first day at Baumber.

It's normal to be a little nervous on your first day but I'm going to talk to you about my day to help you.

I am really excited to start at Baumber as I get to wear my own clothes to feel comfortable while I learn!

On arrival at Baumber, I will be met at the door by a member of support staff or PSWS team who will let me into school and check in to see how I am feeling.

As I enter the school, I can see which members of staff are in today.

On arriving to base I can check the changes board and the visual calendar where I can see what events are coming up this month, this is also available online for when I want to check from home.

This Term's Book ...

Frank Cottrell Boyce's  
The Unforgotten Coat

This term our read is the story of two refugee brothers from Mongolia who are determined to fit in with their Liverpool schoolmates, but bring so much of Mongolia. Liverpool schoolmates, but bring so much of Mongolia. Liverpool schoolmates, but bring so much of Mongolia. Liverpool schoolmates, but bring so much of Mongolia.

For links & discussion questions!

I can also check the timetable on the side of the Laptop cupboard for what lessons I will have today.

If I arrive before 8:55 am, I will be able to sit in the Library if I want to.

In the Library area I can catch up with friends, use my phone, read a book or do any activity that helps me.

---

If I don't want to sit in the student area, I can sit in the classroom ready for form time or even go outside if the weather is nice.

8:55 is when form time starts each day. Form time is also a time for the teachers to let me know of any changes or reminder of upcoming events.

9:15 is the start of lesson 1. My lessons at Baumber are an hour long. In the morning, I have 2 lessons before break.

Lesson 2 starts at 10:15.

Then it's time for break at 11:15.

There are four different classroom spaces at Baumber.

These include the Key Stage 4 room, the Key Stage 3 room, practical room and the kitchen.

Break lasts from 11:15-11:35. During break I can do the same activities as I could before morning form time. If I need a quiet space I know I can ask a member of staff to assist in helping me find one. This could include the Harry Potter room!

Lesson 3 starts at 11:35 and ends at 12:35. I like lesson 3 as it's the only lesson between break and lunch time.

2:15-3:15 - Lesson 5

3:15-3:30 - Tutor Time

During lunch I can, like I did at break and before form time, do my usual calming things as I eat my lunch.

I can sit and relax in a classroom with the other students and we can watch something on the board, or I can chill with the school tortoise called Dwayne!

- Lesson 4 begins at 13:15 and there are only two lessons after lunch. Each only lasting one hour. Lesson 5 is at 2:15pm.

2:15-3:15 - Lesson 5

3:15-3:30 - Tutor Time

Lesson 5 ends at 3:15pm and so there's 15 minutes left before taxi time at 3:30pm. I can sit in the library or choose to wait in a classroom I like. I could catch up with my friends or chat to a member of staff I get along with while I answer the question in my reflection book.

School ends at 3:30pm and staff come outside with me to make sure I get to my taxi or my family members car.

If I need to go to the toilet during the day or get a glass of water I can just ask my teacher or support staff.

This is how my days at pilgrim school usually go and I really like it here. Everyone is so supportive and I look forward to coming to school and learning more 😊.
