

## **THE PILGRIM SCHOOL**

The Pilgrim School is a school with a difference. It is a special school with a countywide outreach education support service for children and young people aged from 5 - 16 unable to attend school because of illness or mental health/emotional problems.

Teaching takes place predominantly in three 'mini schools' across Lincolnshire: Lincoln, Amber Hill and Baumber. In addition we offer teaching in the home for pupils too ill to attend a base. Our model is a transitional one: pupils may start in the home and transfer to a base. Pupils also reintegrate to their mainstream school although the majority of key stage four referrals complete their education at Pilgrim.

The context for such provision can be found on the DfE entitled 'Ensuring a good education for pupils with health needs'. Further information can be obtained from the website address shown on the front page or, for more information specifically about our school, please visit [www.pilgrim.lincs.sch.uk](http://www.pilgrim.lincs.sch.uk).

### **Range of pupils**

- ✓ Anxiety – about 70% of referrals for education support in the community
- ✓ High functioning ASD – currently 29% of referrals with associated anxieties
- ✓ Chronic Fatigue Syndrome – working with schools and the CFS Service to provide advice as well as support
- ✓ Post operative recovery
- ✓ Other medical reasons
