

Have you thought of registering with Childline?

Childline isn't just there as a last resort.

There's plenty of reasons to join, by clicking the QR Code below:

- it's [confidential](#) - you don't need to give us your email address or real name
- you'll be able to use our [1-2-1 counsellor chat](#)
- you can join other young people on the [message boards](#)
- you'll get your own locker, where you can save pages, create images and change the design to make it yours.

The screenshot shows the Childline website's login page. The header is blue with the Childline logo and the text 'ONLINE, ON THE PHONE, ANYTIME'. There are navigation buttons for 'Info and advice', 'Get support', 'Toolbox', and 'Get involved'. A 'Your locker' button with a lock icon and 'Sign in' text is also present. Below the header, there are sections for 'Videos' (Mental health first aid kit, Mood journal), 'Art box' (Image gallery, Coping Kit), and 'Games' (Calm zone). A 'Mood journal' section features three emoji icons and the text: 'Keep track of how you're feeling and why, it's a great way to let your feelings out.' At the bottom, there is a login form with a 'Password' field and a 'Show password' checkbox. To the right of the form is an orange banner that says 'Now you're ready to go' next to an image of a smartphone displaying the Childline app interface. The Windows taskbar is visible at the bottom of the screenshot.
