

## Parent/Carer School Agreement.

At Pilgrim School we believe in working closely together with families so that together we can support your child to access education successfully. We have therefore produced a set of guidelines which will help us to do that. Our priority is to help your child be .....

### **Safe, Prepared and Responsible.**

#### Safe: I agree to support my child:

1. To follow the Pilgrim "Safe Internet" rules by learning how to use the internet safely e.g. not giving out their contact details, using the privacy settings on social media sites e.g. Facebook. By checking they do not use the "Dark net." By knowing who they talk to online. By being vigilant to ensure they have not arranged to meet someone they have spoken to online.
2. To use their phone safely in and out of school hours e.g. by them not sending/receiving nude selfies. To help them to know how to block offensive/ bullying messages.
3. To Follow the Pilgrim rules on not bringing or using alcohol, drugs or cigarettes /tobacco whilst at school and to understand how to make safe, healthy, responsible decisions out of school.

#### Prepared: I agree to support my child:

4. To be ready for the taxi.
5. To be on time to school and to all lessons.
6. To be ready to learn by having a pen, pencil and ruler for the start of each lesson.
7. In lessons to have their phone on silent. I agree not to send/receive text messages or phone them during lesson time. If I, or they have a problem and we need to contact each other URGENTLY we will contact the school office and ask them to communicate the message for us.
8. To encourage them to be modestly dressed, which I understand means they will cover their stomach, chest, tops of their legs or large areas of their body. I will ensure they wear a top with wide straps that covers underwear.

#### Responsible: I agree to:

9. Encourage my child to work with staff to try to find ways to support them when they are anxious, worried etc.
10. Help them develop respectful relationships which means I will support them to talk appropriately to other people and expect others to do the same to them.
11. Try to bring healthy snacks and food to school. (Energy drinks are not allowed in school.)

I understand that by agreeing to support the Pilgrim Code of Conduct I am committing to working with all staff to help my child make the most of their time at Pilgrim School.

I agree that if staff have any concerns or my child breaks the code of conduct it will be discussed by staff with me and my child. I understand that my child will be expected to take responsibility for their own actions.
